Welcome to Normalee Hostel

Hey there! We are a Working Hostel tucked away in the bush a few kilometres out of Manjimup, WA. A quiet relaxing place surrounded by nature where sightings of Australian wildlife such as kangaroos & kookaburras are not uncommon. Away from the lights of the towns and cities, we are blessed with the sights of clear night skies perfect for relaxing under the stars. We hope you visit us and enjoy these experiences.

About us

Working Hostel since 2006 in constant contact with many local farmers, who are looking for travellers to hire. Backpackers! While you stay with us, we will do our best to get you farm work straight away to complete your 88 days / 6 months. Our friendly staff are headed by owner and operator Naomi, who is more than happy to answer any questions you may have about the hostel or ongoing work.

Our Hostel Vibe

- We aim to provide a “family” vibe at our hostel, our age limit of preference is 18 years and above. Being respectful of each other’s as guests is very important to us and we ensure that this happens.
- Our accommodation fee is \$160.00 per week, per person and prefer to cater to long term guests, this covers your accommodation costs, and you provide your food and refreshments. For overnighters if we have space the fee is \$22.00
- Our maximum capacity is 60 guests, we have showers and kitchen facilities that meet 90 guests capacity health and hygiene requirements.
- Rooms: We have a few private rooms, and the remainder of the hostel is made up of dorm rooms, 4 beds or 8 beds.
- Our kitchen, dining, and shower facilities are well maintained and enhance the “communal living” that is part of the “working hostel” experience.
- We have a gym that you are welcome to use
- We provide workers for a number of growers who we have established relationships with, these relationships are important to maintain so we operate with the “three strike” mentality, if three growers have negative feedback about a worker, we will then welcome you as a guest but not provide your ongoing work opportunity’s which we believe is very fair.

- Transport to and from work can either be your car, or for \$6 per day we will deliver you safety and pick you up at the end of your day
- Shopping, twice weekly we take those who do not have transport into town to do their shopping,
