Who we are!

Manjimup Community Resource Centre is your local connection to technology, internet access, local community information, and support services, we also provide free access and printing of government department information.

Our staff deliver excellent services such as Centrelink, Department of Transport and can provide referral advice for local Veterans as an agent for Department of Veteran Affairs.

Our purpose built centre provides hire office's for your convenience:

Individual office space, available for permanent tenants and casual room hirers, our multi-function room offers the option of 8 touch screen computers, a data projector and wall mounted screen, in interactive whiteboard and video conferencing technology, MCRC can facilitate any size meeting to cater for your requirements through our partnerships.

For further information please call our professional staff on:

(08) 9777 2774
or email your request through to:
reception@manjimup.org.au
