

## REWARDING OUR MEMBERS WITH OUR NEW PACKAGES

Have you been a member of the CRC in the past few years? Did you feel we could have been offering you more with our discounts? We have listened to the feedback of the general public, non-profits and local businesses and feel we have catered a membership package to suit you all! So, if you are one of the 18,200 who visited the Manjimup CRC in 2018, we value your opinion and this is what we have come up with:

The Manjimup CRC is all about inclusiveness, we are your local connection to technology, internet access, local community information and support services. Contracted to deliver Department of Transport and Licensing Services, Department of Human Services: Centrelink and Medicare, we are also funded by the Department of Communities as a "Volunteer Referral Service", and can also assist with information and support for retired and currently serving Veterans. Our State Network also provides free access to Government Information, so our friendly reception staff can print documents, and provide general assistance if and when required.

Incorporating what we do into our membership packages was the challenge met by our very own graphic designer Adam Purdy, whose artwork depicts people, movement and tracks linking our local Southern Forest communities. The artwork links us in unity, working together to encourage cultural harmony. This vision was born using the six Noongar seasons, to show an appreciation of the nomadic lives the original custodians of our lands once lived.

We invite you to have a look at the range of packages we have created to assist you with getting the most out of the services we offer. If you find a package that suits your needs please fill out the 2019 / 2020 membership application provided.

**All Current 2019 Members will be offered a complimentary transfer to our Birak Membership. All new members for the 2019 year will receive a 50% discount off our package prices.**

If you would like us to tailor a package to suit more of your needs please call (08) 9777 2774 and make an appointment with our Executive Officer.
